Dear Sir:

Supplemental Information Disclosure Statement (IDS)

This is responsive to the Office Action dated July 14, 2006 in the above-identified patent application. The Examiner indicated that the IDS submitted by Applicant on December 15, 2003 has been placed in the application file, but that the information referred to therein has not been considered because the PTO-1449 form was omitted. (See Office Action, Page 2) In compliance with 37 C.F.R. § 1.98(a)(1), Applicant submits with this Supplemental IDS the PTO-1449 form listing the art.

Applicant respectfully requests, pursuant to 37 C.F.R. §§1.56, 1.97, and 1.98, that the references listed on the attached PTO-1449 form be considered and cited in the examination of the above-identified patent application. No representation is made that a search has been made, that these references are material to the patentability of the present invention, or that these references qualify as prior art.

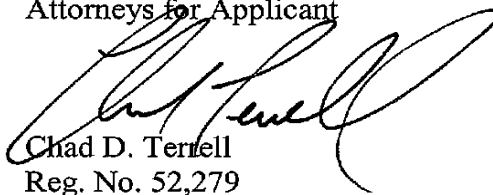

Pursuant to 37 C.F.R. § 1.98(a)(2) set forth in 69 FR 56481 and effective October 21, 2004, copies of U.S. patents and U.S. patent application publications have not been provided. References other than the U.S. patents and U.S. patent application publications are enclosed.

According to 37 C.F.R. § 1.97(f), “[i]f a bona fide attempt is made to comply with § 1.98, but part of the required content is inadvertently omitted, additional time may be given to enable full compliance.” Applicant respectfully submits that a bona fide attempt to comply with § 1.98 was made with the IDS submitted on December 15, 2003. That IDS referenced “the attached form PTO-1449,” evidencing that the PTO-1449 form was inadvertently omitted. Accordingly, Applicant respectfully requests that this Supplemental IDS should be considered under 37 C.F.R. § 1.97(b) rather than under 37 C.F.R. § 1.97(c), meaning neither the statement under § 1.97(c)(1) nor the fee under § 1.97(c)(2) is required. If, however, a determination is made that this Supplemental IDS is submitted under 37 C.F.R. § 1.97(c), then the Commissioner is hereby authorized to charge the amount of \$180.00 to Deposit Account No. 02-0384 of Baker Botts L.L.P. for this Supplemental IDS.

Although no fees are believed due at this time, the Commissioner is hereby authorized to charge any necessary fees or credit any overpayments to Deposit Account No. 02-0384 of Baker Botts L.L.P.

Respectfully submitted,

BAKER BOTTS L.L.P.
